EXAMINER INITIAL

OTHER DOCUMENTS (INCLUDING AUTHOR, TITLE, DATE, PERTINENT PAGES, ETC.)

63. Confidential (i.e., non-public) communication re. Sato et al. manuscript draft entitled "Fluorescent indicators for imaging protein phosphorylation in single living cells," received by Applicants about, but not before, January 18, 2001. The manuscript was subsequently published in Nature Biotechnology, 20:287-294 (March 2002).
